Knoll Printing & Packaging

We are leaders in the deluxe packaging industry, delivering innovative and creative packaging solutions to luxury global brands since 1984.

At Knoll, we provide premium packaging to the world's most prestigious brands, ensuring high quality, creativity, and precise reliability. With sales offices worldwide including New York, Los Angeles, Paris and Hong Kong, and manufacturing operations in China, we can globally source specific materials, and can supply and satisfy all manufacturing and delivery demands.

We have a commitment to nurturing the next generation of talent through our deep experience in design & manufacturing, and we are constantly striving for success through innovative thinking.

The ideal candidate for this position will have a high degree of motivation to succeed in a dynamic and demanding industry, which requires excellence throughout all levels of the business environment.

We are excited to welcome and support an emerging talent through this valuable opportunity! To learn more about Knoll, please visit our website at <http://www.knollpack.com>

Hinrich Foundation

We believe sustainable global trade promotes peace between nations. We advance our mission through the following programmatic areas

- Trade scholarships & careers
- Export trade assistance
- International trade research

Through the Hinrich Global Trade Leaders Scholarship program, we sponsor educational and trade-related career opportunities for individuals who are committed to participate in or promote innovative and competitive global trade.

All of our Global Trade Scholars undertake internships and dedicate two years to making a meaningful contribution to export trade with their co-sponsor companies.
